1. Please prepare all of the music presented above.*
2. Excerpts will be selected from written excerpts of the music listed above.
3. All excerpts are in Bb (no transposition necessary). However, you may perform on either Bb or C trumpet (transposition required for C trumpet performance/audition). Please use a mute (*con Sordine or con Sord.: This usually means “straight mute.”*) when notated in the score.
4. Examples of each excerpt are presented above (from YouTube). Please use these listening selections for reference for tempos and interpretation. (You may choose to listen to other examples of these pieces. Listening to as many examples as possible is encouraged.)

*I have given you a lot of music to practice. We will not be able to hear all of it on an audition. However, all of this music is standard literature of which you will perform or need to be familiar with while studying for a career in music performance, music education, etc. Listen to the entire piece or suggested examples. Get to know the composer. Listen to the character and expression of the performers and imitate their musicianship and style.
