Tuesday, September 27, 2016

7pm • Schaefer Center for the Performing Arts

Embrace the culture of Cuba as the Havana Cuba All-Stars share their rich musical heritage, from the rumba to the cha-cha-cha to the habanera. Comprised of Cuba's greatest and most prominent musicians, this 11-member band makes its debut tour of the United States with *Cuban Nights*. Drawing inspiration from the Cuban Son—a genre which later gave way to salsa—the program's infectious melodies and rhythms showcase the cultural diversity of the Cuban people and will leave audiences dancing in their seats!
