### **Old Roger is Dead**

Old Roger is dead and he lies in his grave, lies in his grave, lies in his grave,  
Old Roger is dead and he lies in his grave!  
E! I! Lies in his grave!

Children form circle and walk around "Roger" lying down in middle.

They planted an apple tree over his head, over his head, over his head,  
They planted an apple tree over his head!  
E! I! Over his head!

The "Apple Tree" enters and stands over "Roger" like a tree.

The apples were ripe and dropped to the ground, dropped to the ground.....

"Apple Tree" waves branches, dropping apples."

There came an old woman a-picking them up.....  
"Old Woman" enters the ring and gathers apples in her apron.

Old Roger jumped up and he gave her a knock.....  
"Roger" jumps up and chases "Old Woman" around the ring.

It made the old woman go hippety-hop.....  
"Old Woman" runs outside the ring, bent over and children imitate "old woman" with hand on hip and bent over as they sing.
