2. Mama's gonna shoe my pretty little feet,  
Papa's gonna glove my hand,  
Sister's gonna kiss my red ruby lips,  
And I don't need no man,  
And I don't need no man, my love,  
And I don't need no man.  
Sister's gonna kiss my red ruby lips,  
And I don't need no man.

3. The longest train I ever saw  
Was a hundred coaches long,  
The only woman I ever did love  
Was on that train and gone.  
On that train and gone my love,  
On that train and gone,  
Only woman I ever did love  
Was on that train and gone.

4. I wisht to the Lord I'd never been born  
Or died when I was young,  
I'd never have seen her rosy cheeks  
Nor heard her lyin' tongue.  
Nor heard her lyin' tongue, babe,  
Nor heard her lyin' tongue,  
I'd never have seen her rosy cheeks  
Nor heard her lyin' tongue.
